

ADVANCED INDUSTRIAL PRODUCTS

Hydraulic, Pneumatic and Automation Products

	Japanese Product Import Services	*	Direct Access To Japanese Hydraulic, Pneumatic and Electrical Products
		*	Full Line Adapters, Fittings, Conversion Adapters, Fractional and Metric
	Full Line Pneumatic Products	*	
		*	Motion Controllers for up to 8 axis of motion and Color Sensors
	Air to Oil and Water to Oil Heat Exchangers and Slip Line Coolers	*	
		*	Full Line Pneumatic Products: FRL's Valves, Cylinders, Grippers and Guided Cylinders
	Hydraulic Hose and Fittings	*	
Solutions for a World under Pressure 		*	A world leader in compact high pressure hydraulic components for the industrial and mobile hydraulic markets
	High Pressure High Flow Pumps for Industrial and Mobile Applications - Low Speed Hi Torque Motors	*	
		*	MTS Magnetostrictive Transducers for Position, Velocity, and Level Measurement. Non-Contact Probes with Accuracy to 0.0001"
	NFPA Tie Rod Cylinders for Hydraulic and Pneumatic Applications. Boosters, Air Tanks and Accumulators also Available	*	
		*	Full Line Industrial Hydraulics Pumps Valves and Power Units
	Hydraulic Quick Connect Couplers, Pneumatic Quick Connect Couplers, Coupling Systems	*	
		*	Vacuum Components, Gripping Systems. Clamping Systems, Handling Systems, Lifting Devices and Pumps
	Grippers, Rotary Modules, Linear Modules, Robot Accessories, and Machine Vision Systems	*	
Go to Global Stauff Website 		*	Pipe and Tube Clamps, Test Points, Diagronic Products, Filtration, Accumulators, Ball Valves and Hydraulic Accessories
	Cylinders, Rotary Actuators, Valves, Electric Actuators, Detecting Equipment, Shock Absorbers and Diaphragm Pumps		
		*	Full Line Industrial Hydraulics Pumps, Directional Controls, Flow Controls, Pressure Controls, Proportional Controls and Servo Products
AIP ALSO MANUFACTURES COMPLETE HYDRAULIC AND PNEUMATIC SYSTEMS
